PROFILE

Mechatronics Engineering student at the University of Jordan with a proven track record in business development, event sponsorship, and marketing across Jordan and the US. Delivered results on high-profile entertainment projects including one of Jordan's largest international concerts. Technical background in embedded systems, IoT, C++, and JavaScript. Fluent in Arabic and English.

EXPERIENCE

Business Developer, PR & Account Executive | Lemon Media Group & Jordanpoly

May 2025 – Mar 2026 · Amman, Jordan

- Managed business development and PR across two media companies simultaneously — grew the client base from 8 to 12 accounts within three months, a 50% increase, while driving a 20%+ uplift in sales revenue.
- Designed and ran marketing campaigns end-to-end across 10+ active client accounts: brief, content strategy, media placement, and performance reporting.
- Handled procurement as Purchases Officer — negotiated and managed multiple vendor deals, keeping logistics on budget and on schedule across concurrent projects.
- Led sponsor acquisition for Saad Lamjarrad's concert at Balsam Exhibition Grounds — closed 2 sponsorship deals totalling ~JOD 2,000, contributing to an event that drew 3,500+ attendees.
- Secured 2 sponsors for the Aldaheeh entertainment event and managed all commercial relationships through to execution — event drew 5,000+ attendees.
- Executed promotional campaigns for the Highlight Jordan event at Kempinski Hotel – Dead Sea prior to its cancellation, completing all assigned deliverables before the project was discontinued.

Operations & Strategy Coordinator | Dr. Anas Zubaidi

May 2025 – Feb 2026 · Amman, Jordan

- Coordinated day-to-day operations within Lemon Media Group, keeping workflows and project deadlines on track.
- Wrote feasibility studies and business plans for planned ventures — market sizing, competitor analysis, financial projections, go-to-market strategy.
- Acted as liaison between leadership and internal teams, converting strategic direction into structured execution plans.

Sponsor Acquisition Lead | JEF 2025 Esports Championship

2025 · Jordan

- Managed the full commercial operations of the championship-winning team at JEF 2025, securing a sponsorship deal that covered 100% of the team's participation costs.
- Independently identified, pitched, and closed 1 sponsorship agreement — handling all prospect research, pitch deck development, and contract negotiations to fully fund the team.
- Managed all sponsor relationships through the tournament, ensuring every deliverable was met and partnerships held post-event.

Business Developer & Sponsorship Acquisition | Self-Employed

Oct 2024 – Apr 2025 · Amman, Jordan

- Ran independent project-based business development engagements across Jordan's entertainment sector.
- Led sponsor acquisition for the Saad Lamjarrad concert — closed 2 deals (~JOD 2,000 total) and managed all sponsor relations from pre-production through an event that attracted 3,500+ attendees.
- Drove sponsorship acquisition for the Aldaheeh event — secured 2 sponsors and managed commercial relationships across the full project timeline for an event that drew 5,000+ attendees.
- Delivered market analysis, business plans, and strategic recommendations for multiple clients throughout this period.

Field Sales Representative | Koons Ford

Jul – Oct 2023 · Virginia, USA

- Managed the full sales cycle at a major Ford franchise dealership — closed 15+ vehicle sales in 3 months as a non-native English speaker in a foreign market with no prior automotive sales experience.
- Consistently met and exceeded individual sales targets in a competitive retail environment.

Waiter — Top 5 Sales Performer | Olive Garden

Jul – Oct 2023 · Virginia, USA

- Ranked top 5 out of 23 staff on the location sales leaderboard through upselling and consultative table service.
- Delivered high-volume service under pressure while maintaining strong guest satisfaction scores.

Front Desk Attendant | Super 8 Motel

Jun 2023 · South Dakota, USA

- Managed check-ins, reservations, and guest issue resolution — accurate records maintained throughout.
